## Mattress protection

### Clean & comfortable

We are proud to offer the widest range of sizes and styles for mattress protection.

We use 100 % cotton or polyurethane as fitted sheet or with four elastic bands.

Kalmuck

## Mattress skirtings

### Fine cloths for your mattress

Be sure that you will get fine skirtings for your box spring bed, made by Trevira CS® (flame retardent).

## Exclusive bed linen

### Bed covers and sheets

High-class Hotels need high-class bed linen with two qualities: durability and elegance. Among our many designs and in our wide range of colours, you will certainly find what you are looking for.

To make your bed linen exclusive, we can apply your hotel logo or brand mark in your own preferred design for orders from 100 pieces or more. This can be done in colours or plain white. It is your choice.

## T300

### The best hotel linen 100 % cotton

T 300 means 300 threads per inch equal 118 threads per square centimetre.

That's not all. Having 200 threads on a small space means that they have to be very thin and the linen is therefore most elegant, durable and light.

We use the highest quality in cotton; 100 % combed satin cotton. In addition this product will make a wonderful first impression when your guests enter the rooms.

T310

## Bed linen made from mixed fabrics

### Light-weight, durable and classy

Kaechele supplies T310 bed linen, the best mixed-fabric linen in the world. Our quality has a cotton content of over 60 %, significantly higher than that of other mixed fabrics which have a cotton content of 50 %. These fabrics weigh just 120 –130 g/m<sup>2</sup>, which means that you make significant savings with your laundry costs.

The high thread density gives a very classy appearance.
